Section 644 of the Housing and Community Development Act of 1992 (42 U.S.C. 13604) imposed on HUD the obligation to require housing providers participating in HUD's assisted housing programs to provide any individual or family applying for occupancy in HUD-assisted housing with the option to include in the application for occupancy the name, address, telephone number, and other relevant information of a family member, friend, or person associated with a social, health, advocacy, or similar organization. The objective of providing such information is to facilitate contact by the housing provider with the person or organization identified by the tenant to assist in providing any delivery of services or special care to the tenant and assist with resolving any tenancy issues arising during the tenancy of such tenant. This supplemental application information is to be maintained by the housing provider and maintained as confidential information. Providing the information is basic to the operations of the HUD Assisted-Housing Program and is voluntary. It supports statutory requirements and program and management controls that prevent fraud, waste and mismanagement. In accordance with the Paperwork Reduction Act, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information, unless the collection displays a currently valid OMB control number.

Privacy Statement: Public Law 102-550, authorizes the Department of Housing and Urban Development (HUD) to collect all the information (except the Social Security Number (SSN)) which will be used by HUD to protect disbursement data from fraudulent actions.

Do you have a Social Security Number (SSN)?

If you do not disclose a SSN, you may not be able to receive housing assistance.

The federal government requires each applicant for HUD-assisted housing to provide documentation of their SSN to the property owner/manager by the time a unit becomes available. This requirement affects household members who are U.S. citizens, U.S. nationals and eligible noncitizens.

The SSNs of all members of my household have been provided. What do I do?

Nothing further is required. The owner/property manager will contact you if there is a problem with the SSN of any of your household members.

I have not provided SSNs for all of my household members to the property owner/manager. What do I do?

Does everyone in your household have a SSN?

Yes

- 1. Ensure the correct SSN for each household member who is a U.S. citizen, U.S. national or eligible noncitizen is reported to the owner/property manager by the time a unit becomes available.
- You will need to provide the owner/property manager with documentation to verify the SSNs.

No

- 1. For any household member who is a U.S. citizen, U.S. national or eligible noncitizen and does not have a SSN, apply for a SSN by submitting a completed SS-5 form to the Social Security Administration. For the SS-5 form and/or assistance, contact the owner/property manager.
- 2. Provide documentation of a SSN for each household member who is a U.S. citizen, U.S. national or eligible noncitizen to the owner/property manager by the time a unit becomes available.

Note: If you turned 62 before January 31, 2010, ask the property manager for further details on what you need to do.
