Privacy Statement: Public Law 102-550, authorizes the Department of Housing and Urban Development (HUD) to collect all the information (except the Social Security Number (SSN)) which will be used by HUD to protect disbursement data from fraudulent actions.

Do you have a Social Security Number (SSN)?

If you do not disclose a SSN, you may not be able to receive housing assistance.

The federal government requires each applicant for HUD-assisted housing to provide documentation of their SSN to the property owner/manager by the time a unit becomes available. This requirement affects household members who are U.S. citizens, U.S. nationals and eligible noncitizens.

The SSNs of all members of my household have been provided. What do I do?

Nothing further is required. The owner/property manager will contact you if there is a problem with the SSN of any of your household members.

I have not provided SSNs for all of my household members to the property owner/manager. What do I do?

Does everyone in your household have a SSN?

Yes

- 1. Ensure the correct SSN for each household member who is a U.S. citizen, U.S. national or eligible noncitizen is reported to the owner/property manager by the time a unit becomes available.
- 2. You will need to provide the owner/property manager with documentation to verify the SSNs.

No

- 1. For any household member who is a U.S. citizen, U.S. national or eligible noncitizen and does not have a SSN, apply for a SSN by submitting a completed SS-5 form to the Social Security Administration. For the SS-5 form and/or assistance, contact the owner/property manager.
- 2. Provide documentation of a SSN for each household member who is a U.S. citizen, U.S. national or eligible noncitizen to the owner/property manager by the time a unit becomes available.

Note: If you turned 62 before January 31, 2010, ask the property manager for further details on what you need to do.
