Owner's Notice No. 1

Section 214 of the Housing and Community Development Act of 1980, as amended, prohibits the Secretary of HUD from making financial assistance available to persons other than United States citizens, nationals or certain categories of eligible noncitizens in the following HUD programs:

- a. Public and Indian Housing Programs
- b. Section * Housing Assistance Payments Programs
- c. Section 235 of the National Housing Act
- d. Section 236 of the National Housing Act
- e. Section 101/Rent Supplement Program

You have applied, or are applying for assistance under one of these programs; therefore you are required to declare U.S. Citizenship or submit evidence of eligible immigration status for each of your family members for whom you are seeking housing assistance. To do this you should:

1. Complete a Family Summary Sheet, using the attached blank format (identified as Attachment 5) to list all family members who will reside in the assisted unit. Attachment 5 is on the back of this letter.
2. Have a Declaration Format (Attachment 7) completed by each family member (including yourself) who is listed on the family Summary Sheet. If there are 10 people listed on the Family Summary Sheet, you should have 10 completed copies of the Declaration Format. The Declaration Format has easy to follow instructions and explains what, if any other forms and/or evidence must be submitted with each Declaration Format.
3. Submit the Family Summary Sheet, the Declaration Formats and any other forms and/or evidence to the name and address listed below at the time you return your application.

Please return this information to the Manager at the above address.

This Section 214 review will be completed in conjunction with the verification of other aspects of eligibility for assistance. If you have any questions or difficulty in completing the attached formats or determining the type of documentation required, please contact the manager at the above phone number. The manager will be happy to assist you.

Also, if you are unable to provide the required documentation, you should immediately contact this office and request an extension, using the block provided on the Declaration Format. Failure to provide this information or establish eligible status may result in your not being considered for housing assistance. If this Section 214 review results in a determination of ineligibility, you will have an opportunity to appeal the decision. Also, if the final determination concludes that only certain members of your family are eligible for assistance, you family may be eligible for proration of assistance. Than means that when assistance is available, a reduced amount may be provided for your family, based on the number of members who are eligible.

If assistance becomes available and the other aspects of your eligibility review show that you are eligible for housing assistance, it may be provided to you prior to the final determination of this Section 214 review, depending on how far the review has progressed and the information that is available at that point. You will be contacted as soon as we have further information regarding your eligibility for assistance.

The information collection requirements contained in this form were submitted to the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520). The public reporting burden is estimated at 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Section 644 of the Housing and Community Development Act of 1992 (42 U.S.C. 13604) imposed on HUD the obligation to require housing providers participating in HUD's assisted housing programs to provide any individual or family applying for occupancy in HUD-assisted housing with the option to include in the application for occupancy the name, address, telephone number, and other relevant information of a family member, friend, or person associated with a social, health, advocacy, or similar organization. The objective of providing such information is to facilitate contact by the housing provider with the person or organization identified by the tenant to assist in providing any delivery of services or special care to the tenant and assist with resolving any tenancy issues arising during the tenancy of such tenant. This supplemental application information is to be maintained by the housing provider and maintained as confidential information. Providing the information is basic to the operations of the HUD Assisted-Housing Program and is voluntary. It supports statutory requirements and program and management controls that prevent fraud, waste and mismanagement. In accordance with the Paperwork Reduction Act, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information, unless the collection displays a currently valid OMB control number.

Privacy Statement: Public Law 102-550, authorizes the Department of Housing and Urban Development (HUD) to collect all the information (except the Social Security Number (SSN)) which will be used by HUD to protect disbursement data from fraudulent actions.

Do you have a Social Security Number (SSN)?

If you do not disclose a SSN, you may not be able to receive housing assistance.

The federal government requires each applicant for HUD-assisted housing to provide documentation of their SSN to the property owner/manager by the time a unit becomes available. This requirement affects household members who are U.S. citizens, U.S. nationals and eligible noncitizens.

The SSNs of all members of my household have been provided. What do I do?

Nothing further is required. The owner/property manager will contact you if there is a problem with the SSN of any of your household members.

I have not provided SSNs for all of my household members to the property owner/manager. What do I do?

Does everyone in your household have a SSN?

Yes

1. Ensure the correct SSN for each household member who is a U.S. citizen, U.S. national or eligible noncitizen is reported to the owner/property manager by the time a unit becomes available.
2. You will need to provide the owner/property manager with documentation to verify the SSNs.

No

1. For any household member who is a U.S. citizen, U.S. national or eligible noncitizen and does not have a SSN, apply for a SSN by submitting a completed SS-5 form to the Social Security Administration. For the SS-5 form and/or assistance, contact the owner/property manager.
2. Provide documentation of a SSN for each household member who is a U.S. citizen, U.S. national or eligible noncitizen to the owner/property manager by the time a unit becomes available.

Note: If you turned 62 before January 31, 2010, ask the property manager for further details on what you need to do.
